CAMP offers Certificate Course in Nanoscience and Technology

Course structure:

**Title of the programme** – Certificate course in Nanoscience and Technology  
**Duration of the Course** – 3 months

Objectives

Course Features

The course features include the basic understanding of nanoscience and technology, preparation and characterization of nanoparticles and their applications in: energy, medicine, pharmaceuticals science, biological sciences and biotechnology.

**Subjects**

**Interactive sessions**

CNN – 101 Introductions to Nanoscience and Nanotechnology  
CNN – 102 Syntheses and Characterization of Nanomaterials

**Laboratory sessions**

CNN – 103 Laboratory Demonstrations

Examination Schedule

Tests will be conducted during last week of the every month.

Marks distribution

Criteria for admission and number of seats

Eligibility for Admission: Candidates with Bachelor degree in any of the following disciplines: Science/Medicine/Engineering/Nursing/Pharmacy/Allied Health (Students in the final year of their course are also eligible).

Selection of students: First come first served basis

Fee Structure: Rs. 8000/-

Number of seats: 30

Commencing on: September 9, 2013

Application Deadline: August 31, 2013
