2020: Qualification & Admission Process for Undergraduate (UG) Programs under General / Foreign / NRI category

Note:
The entire world is going through an unprecedented situation globally. The CoVid 19 pandemic is affecting almost all aspects of our lives, including the Education system. Hence, there is an uncertainty on the availability of 10+2 results of all Central / State / International Boards at the same time to finalize the merit list.

Manipal Academy of Higher Education (MAHE) Manipal is committed to enrolling candidates, purely based on merit. Therefore, in the best interest of prospective students, considering the lockdown restrictions, MAHE has made few changes in the selection process. The revised Admission process is as mentioned above.

The Provisional admission granted will be confirmed ONLY IF the candidates are able to meet the minimum eligibility criteria specified for each program before the class commencement. In case the candidate is unable to meet the minimum eligibility criteria / fails in the qualifying examinations, the provisional admission granted will be canceled and a full refund of tuition fee will be processed.
