

**MANIPAL**  
ACADEMY of HIGHER EDUCATION  
(Institution of Eminence Deemed to be University)

Wishing you a very happy and  
prosperous New Year!

**2023**

Manipal Academy of Higher Education (MAHE), an Institution of Eminence Deemed to be University, is a self-financing higher educational institution that started its operations in 1953 by establishing the first self-financing medical college as Public Private collaboration model. Over the years various institutions have been added and finally, in June 1993, this group of institutions have been declared as a Deemed to be University by the Govt. of India. Its excellent track record in academics, infrastructure, and research contributions and its standing in the national and international rankings, culminated in it being declared as an Institution of Eminence Deemed to be University (IoE) by the Ministry of Education, Govt. of India, in October 2020.

**30 YEARS OF INNOVATION:** Within 10 years of operations of MAHE, University had good diversification with Health Sciences, Technology and Management institutes under its ambit. To have further visibility to MAHE and also to create impact on society, university think tank team deliberated for a few years, by involving internal and external experts. An outcome of this, is the genesis of Innovation Center in 2007, to promote innovation culture in the university. During the next 15 years, incubators, other supporting units and facilities were established to create a robust ecosystem for Innovation and Entrepreneurship at MAHE.

## MANIPAL'S ILLUSTRIOUS FOUNDER

Manipal is a place born of one man's dream - Dr Tonse Madhav Ananth Pai. It is a testimony to the fact that no matter how big a dream, it can always turn into reality. The once barren hillock is now India's largest education township with more than 25 institutions of learning.

Manipal Academy of Higher Education is the result of the single-minded dedication of the founder Dr T M A Pai. It was his vision to see the bare hilltop of Manipal transformed into one of the premier centres of learning.

Manipal Academy of Higher Education was founded on one principle; one unshakeable belief - that it must make available the best of education to its students. The last six decades, have seen institutes at Manipal taking meticulous, small steps to build reservoirs of intellectual wealth and academic excellence.

Things beyond the reach of individual  
accomplishment become miraculously easy  
with collective effort

Padma Shri awardee Dr T M A Pai

# Vision, Mission and Values

## Vision

Global leadership in human development,  
excellence in education and healthcare

## Mission

Be the most preferred choice of students, faculty and  
industry. Be in the top 10 in every discipline of education,
