PHOTOBIO-MODULATION WORLD CONGRESS
MANIPAL INDIA
SEPTEMBER 14-16, 2023

Congress Theme

Photobiomodulation: The Art and Science of Cellular Healing

Main Congress

Date: September 14 -16, 2023

Venue: Fortune Inn Valley View Hotel, Manipal, India

Pre - Congress Workshop

Date: September 13, 2023

Venue: Manipal, India

Manipal Academy of Higher Education (MAHE), an Institution of Eminence Deemed to be University, is a higher educational institution that started its operations in 1953 by establishing the first self-financing medical college as Public Private collaboration model. MAHE is synonymous with excellence in higher education. Over 35,000 students from 60+ nations live, learn, and play in the sprawling University town, nestled on a plateau in Karnataka's Udupi district cater to the various professional institutions in Health Sciences, Engineering & Management, Communication, Humanities, Liberal Arts, and Social Sciences, etc. which dot the Wi-Fi-enabled Campus.

Indian Podiatry Association (IPA) is a non-profit organization based in New Delhi, India with a primary vision of saving every limb from amputation "I Prevent Amputation". It was formed with the primary objective of disseminating and imparting knowledge about diabetic and non-diabetic foot care, through cost-effective management strategies across India.

World Association for photobiomodulation Therapy (WALT) is the leading world body for promoting research, education and clinical applications in the field of Photobiomodulation with lasers and other light sources.

"World Association for photobiomodulation Therapy (WALT) Congress 2023" jointly organized by IPA - Karnataka Chapter and WALT will be conducted at Manipal with MAHE Manipal, an Institution of Eminence Deemed to be University as an academic partner.

The theme of the Congress for 2023 will be "Photobiomodulation: The Art and Science of Cellular healing". This conference will be of interest to all the professionals from health care, technology and industry.
