<tbody>
<tr>
<td>Are there research opportunities available?</td>
<td>Yes, research opportunities are available in both clinical and lab based rotations. However, the expression of interest in participating in research projects must be intimated at least 5 months before the start of the visit.</td>
</tr>
<tr>
<td>What is the application process, required documents and application deadline?</td>
<td>The application process including deadline and list of required documents is attached.</td>
</tr>
<tr>
<td>Is there a language requirement?</td>
<td>English is the language of instruction. However, patients and their caregivers would prefer local languages like Kannada, Tulu, Konkani, Malayalam and Hindi. The visiting students are required to conduct clinical work under the supervision of the departmental student mobility coordinator or a faculty/post-graduate student assigned by the coordinator. Hence, knowledge of local language is not mandatory.</td>
</tr>
<tr>
<td>Are copies of insurance (health, international coverage, malpractice) required?</td>
