Society for Ethnopharmacology, India

Saktigarh, Jadavpur, Kolkata, India
6th SFEC 2019

The 6th International Congress of the Society for Ethnopharmacology, India (SFEC 2019) will be organized by Manipal College of Pharmaceutical Sciences (MCOPS) and Centre for Integrative Medicine and Research (CIMR), Manipal Academy of Higher Education, Manipal, India in association with Society for Ethnopharmacology, India during February 8-10, 2019 at Manipal, Karnataka, India. This congress will focus on “Medicinal Plants and Traditional Medicine- Ethnopharmacology at the interface of local and global needs”. The congress will also be highlighting on several crucial and contemporary issues on the Ethnomedicine, Ethnopharmacology and Medicinal Plant Research by the renowned scientists across the globe. This will provide an ideal platform to the participants to present their research work, interact, debate and disseminate ideas amongst the distinguished professionals, eminent scientists, technologists, industrialists and traditional health care professionals. On behalf of the organizing committee and Society for Ethnopharmacology, it is our pleasure to invite you to participate in this congress and explore the opportunities.

The Manipal Academy of Higher Education (MAHE) is a Deemed to be University under section 3 of the UGC Act 1956 and also a pioneer in higher education services with 60-year-old legacy of excellence. MAHE also owns and operates campuses in Sikkim and Jaipur in India, Nepal, Malaysia, and Antigua in the Caribbean. Over 28,000 students from 57 different nations live, learn and play in the sprawling University town. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, management, communication and humanities. A part of the Manipal Group, the deemed to be University is ISO 9001:2008 and ISO 14001: 2004 certified, and has won the prestigious IMC Ramkrishna Bajaj National Quality Award and the International Asia Pacific Quality Award in 2007-2008. The university ranks among top 250 Universities in the world as per QS Ranking. Every constituent institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

For further details please visit: www.manipal.edu

Manipal College of Pharmaceutical Sciences (MCOPS): A constituent unit of MAHE, Manipal established in 1963 is a premier pharmaceutical teaching and research institute in India. Ranked #7 amongst Pharmacy Institutions of India by NIRF, MHRD, Govt. of India in 2018 and among top 251-300 range by subject Pharmacy and Pharmacology in QS World Ranking. MCOPS stands as hallmark of quality education and research in India and most preferred destination for students. It offers DPharm, BPharm, MPharm, PharmD, PharmD Post Baccalaureate and PhD programs.
Center for Integrative Medicine and Research (CIMR) is a new addition to MAHE educational spectrum offering education and research in the traditional and holistic medicine. Multidisciplinary research is need of the hour and CIMR is striving hard to bring in innovation and value for the existing ideas and practices. The center involves Ayurveda, Siddha, Homoeopathy and Pharmacognosy. The center is offering many short term certificate courses to professional as value addition to their existing knowledge and expertise.

Society for Ethnopharmacology (SFE), India is registered under the West Bengal Society Registration Act and also affiliated to the International Society for Ethnopharmacology. The society was formed in 2013 and has made its presence throughout the country, which provides networking opportunity for development and promotion of medicinal plants and ethnomedicine. The society works on dissemination of knowledge in this area through different local chapters made in different parts of India with major highlights on “Globalizing local knowledge and localizing global technologies”.

For further details please visit: www.ethnopharmacology.in

International Society for Ethnopharmacology (ISE) is an International scientific organization of researchers dedicated to the interdisciplinary study of the pharmacological actions of plants, animals, insects, and other organisms used in medicines of indigenous and modern, past and present cultures. The major objective of the ISE is to promote Ethnopharmacology as a scientific field of research. The Journal of Ethnopharmacology is dedicated to the exchange of information and understandings about people’s use of natural products and their bio-prospecting.

For details please visit: www.ethnopharmacology.org

Major Highlights of the Congress

- Ethnomedicine and Ethnopharmacology in drug discovery and development
- Evidence based validation of traditional medicine
- Evaluation of safety, efficacy and quality of botanicals
- Pharmacological evaluation of medicinal plants
- Identification and documentation of medicinal plants and traditional resources
- Quality control and standardization of Botanicals
- Bioprospecting of medicinal plants products – an approach towards drug discovery
- Integrative approach for promotion and development of traditional medicine
- Development and evaluation of herbal formulation from botanicals
- IP rights, patents and regulatory affairs of medicinal plants
- Conservation & propagation of rare, endangered & threatened medicinal plants
- Plant breeding, Genetics & Biotechnology

Opportunities for Sponsorship/ Collaboration: This multidisciplinary program will address several crucial research issues for the promotion and development of the natural products especially from medicinal plants. A series of keynote, plenary lectures by internationally renowned scientists in the field of medicinal plant research will be focused on specific key areas. The congress will offer an ideal platform for networking opportunity to the industries, academicians, scientists, regulators and those who are involved in the medicinal plant research.

Pre-congress workshop will be held at Dr. P Gundu Rao Conference Hall, Manipal College of Pharmaceutical Sciences, Manipal.

Scientific Sessions - Submission of abstracts

Abstracts are invited from the scientific community for oral and poster presentation. By submitting an abstract you give consent to the publication of the abstract in conference proceedings. Peer reviewed papers will be published in the special issue of MAHE Journal (Manipal Journal of Pharmaceutical Sciences).

Instruction to authors

- Presenting author must be a registered delegate
- Abstracts should only be submitted online at: https://conference.manipal.edu/SFEC2019
- Abstracts should be original unpublished work
- Language: All abstracts must be in English language
- Submit the abstracts via online in the abstract submission form, which includes – Title of the abstract, Authors and co-authors and their affiliations (Underline the presenting authors name and indicate the author affiliation with superscript number)
- Abstracts – should include background, methodology, results, discussion and conclusion
- Word limit for the abstract: 250
- Guidelines for oral/poster presentation will be available on the website

SYNERGY SYMPOSIUM

‘Synergy Research on Natural Drugs’

Organized by
Society for Ethnopharmacology, India
Saktigarh, Jadavpur, Kolkata, India
www.ethnopharmacology.in

Saturday, February 9, 2019

This special symposium on synergistic and combinatory applications of natural drugs and compounds in contemporary research and treatment regimes will be an integral part of the SFEC 2019, Manipal, India.

Synergry research is still a young field of research in life sciences, but the elucidation and application of synergistic actions of compounds if of particular relevance and opens new perspectives for drugs from botanicals. On behalf of the SFE India we cordially invite you to participate and to explore new perspectives and opportunities.
Society for Ethnopharmacology is affiliated to the International Society for Ethnopharmacology. SFE-India is constituted by the academicians, researchers and industrialists for dissemination of knowledge and expertise for promotion and development of medicinal plants & other natural products with the vision of globalizing local knowledge and localizing global technologies.

To recognize the outstanding contribution in the area of medicinal plant research & ethnopharmacology, the society has instituted several awards. Nominations are invited for the following awards of the Society for Ethnopharmacology (SFE-INDIA), Kolkata, which will be conferred during the Annual International Congress of SFE-India (SFEC). For Nomination and other details, please visit: www.ethnopharmacology.in

**Last Date for nomination is October 10, 2018**

Objective:
To recognize and encourage the young talented scientist/researchers from academia and industry working in any area of Ethnopharmacology and Medicinal Plant Research including traditional medicine, phytochemistry, pharmacology etc. or any other research related to promotion and development of medicinal plants and natural products.

Criteria of selection:
The selection will be limited to the delegates of the Annual Congress of SFE-India (SFEC 2019, Manipal) who will register for the congress and their paper should be accepted for oral presentation. Participants engaged in research in any field of Ethnopharmacology and Medicinal Plants up to the age of 40 years are eligible.

Selection of the participants for the completion will be based on the abstracts which has been submitted by young researchers and accepted for oral presentation in the annual SFE congress. Three best presentations will be awarded.

This award will be conferred on the basis of the oral presentation during the congress where the presentation will be judged by the experts from different areas, as decided by SFE-India.

Award carries:
- Memento
- Citation

Selection committee:
Representatives from the Executive Committee of SFE-India along with the experts from different fields of ethnopharmacology and medicinal plant research will be a part of the selection committee. Decision of the committee will be final. The award will be conferred in the valedictory function of SFEC 2019, Manipal, India.
